Hi Nick,

Thinking of you today - these are some crazy crazy times and I'm sure you are slammed. Let me know if there's anything I (or my school community) can do to help. Thanks for being a champion for all kids. I hope and trust that the board won't be bullied into this charter cap - it's the first step in killing charters and there's no good argument for it. LAUSD is nationally acclaimed by the Credo Institute for excellence in authorizing and oversight - there's no good argument for this. Most importantly, too many kids don't have access to an excellent school of any kind - until that problem is solved we can't cut off choices to the families that need them the most. Thanks for all you do - please know how much it's appreciated and let me know if there's anything I can do (or my school community can do) to support.

Amy
